Delegate Selection Plan

For the 2024 Democratic National Convention

Section I

Introduction & Description of Delegate Selection Process

A. Introduction

1. Alaska has a total of 20 delegates and 2 alternates. (*Call I & Appendix B*)
2. The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2024 Democratic National Convention (“Rules”), the Call for the 2024 Democratic National Convention (“Call”), the Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention (“Regs.”), the rules of the Democratic Party of Alaska ([Party Plan of Organization](#)), the [Alaska election code](#) (Title 15), [Alaska Administrative Code](#), and this Delegate Selection Plan. (Call II.A)
3. A draft of the Delegate Selection Plan (DSP) was available for public comment for a period of thirty (30) days beginning on March 22, 2023 and ending on April 22, 2023. (Rule I.C; Reg. 2.2.F).
4. Following the adoption of this DSP by the Alaska Democratic Party Executive Committee after the expiration of the thirty-day public comment period on April 25, 2023, it shall be submitted for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The Chair of the Democratic Party shall be empowered to make any revisions to this DSP as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Democratic Party rules. The DSP shall be resubmitted to the RBC within thirty (30) days of receipt of notice of the RBC’s findings (Reg. 2.5; Reg. 2.6; Reg. 2.7).
5. Once the RBC has found this DSP to be compliant, any amendment to this DSP made by the Alaska Democratic Party must be submitted to and approved by the RBC before it becomes effective (Reg. 2.9)

B. Description of Delegate Selection Process

1. Alaska will use a proportional representation system based on the results of a Party-run Primary for apportioning delegates to the 2024 Democratic National Convention.

Alaska 2024 Delegate Selection Plan

2. The “first determining step” of Alaska's delegate selection process will occur on April 6, 2024, with a Party-run Primary for presidential preference. Votes may be cast by-mail, facsimile, or email. These methods of casting votes are methods used by Alaskan voters in elections administered by the State of Alaska.
3. If more than two (2) presidential candidates meet the requirements for ballot access in Section II, the Alaska Democratic Party will utilize ranked choice voting on all primary ballots to allow maximum engagement and to follow the traditional caucus method of achieving viability. If a ranked choice ballot is used, Alaska will follow the similar procedure used in the Party-run Primary for presidential preference in 2020.

Voters may rank up to five candidates in the order in which they prefer them. Tabulation of votes may proceed in two rounds. If, after initial tabulation, all candidates are at or above the 15% viability threshold statewide then the process is complete and delegates are apportioned in a fashion that fairly reflects the results.

- a. If, after initial tabulation, any candidates fall below the 15% viability threshold, those candidates shall be eliminated.
 - b. After votes from eliminated candidates have been redistributed to the voters’ next viable ranked candidate, the votes for the remaining viable candidate(s) shall be retabulated.
 - c. If no candidate reaches the 15% threshold, the threshold will be half the percentage of the votes received by the front-runner.
4. All National Convention delegates and alternates are selected at the Alaska Democratic Party State Convention on May 18, 2024, in Juneau, Alaska. Alaska Democratic Party State Convention delegates and alternates are selected at Alaska *State House District Caucuses (Alaska only has one Congressional District)* on April 13, 2024, the weekend after the conclusion of the first determining step.

C. Voter Participation

1. Participation in Alaska's delegate selection process is open to all voters who wish to participate as Democrats and who will be eighteen (18) years of age or older by the 2024 General Election. (*Rule 2.A and Rule 2.C.*)
 - a. Registration deadlines to vote/participate in the first determining step of the delegate selection process are as follows:
 - (1) All Democrats registered with the Alaska Division of Elections as of February 15, 2024, will be mailed a ballot on February 23, 2024, along

Alaska 2024 Delegate Selection Plan

with a return envelope (postage paid). Ballots must be received by April 6, 2024.

- (2) In order to increase participation in the Party-run Primary, allow for absentee voting, and to accommodate same day party registration or same day new voter registration, a downloadable ballot from the state party website will be made available on March 25, 2024. The ballot may be cast electronically, by facsimile, or by-mail. All downloadable ballots must be received by 3P.M. on April 6, 2024.
 - (3) Individuals that register to vote or register as a Democrat after ballots have been mailed on February 23, 2024, may participate in the Party-run Primary by casting a downloadable ballot along with confirmation of new voter registration or updated registration as a Democrat from the Division of Elections or by submitting the appropriate voter registration forms and identification requirements along with the ballot.
- b. An overview of the Alaska's voter registration, enrollment procedures, and/or declaration process:
- (1) Voters declare their political party when registering to vote. To register to vote in the state of Alaska, voters may visit a regional elections office or visit elections.alaska.gov for other ways to register, including online.
 - (2) By law, eligible individuals that file an application for the Alaska Permanent Fund Dividend are automatically registered to vote if they are not already registered, unless they opt out. Information submitted in an Alaska Permanent Fund Dividend application is used to update voter information.
 - (3) Alaska Voters who are not registered as Democrats are given the opportunity to participate in the process by changing their voter registration to Democrat by or on April 6, 2024; (Rule 2.A & Reg. 4.3.B)
 - (4) Persons who are eligible to register to vote in the State of Alaska and declare their party affiliation as Democrat with the Alaska Division of Elections or the Alaska Democratic Party by April 6, 2024, may vote. Voter Registrations will be obtained daily from the Alaska Division of Elections beginning January 22, 2024. (Rule 2.A & Reg. 4.3.A)
- c. To encourage participation by youth in the delegate selection process, any individual who will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process.
- (1) Youth may register to vote in the state of Alaska any time within 90 days preceding their 18th birthday ([Sec. 15.07.040](#)). To encourage voter

Alaska 2024 Delegate Selection Plan

registration, for any person participating in the Delegate Selection process more than 90 days from their 18th birthday but will be 18 at the time of the general election, the Alaska Democratic Party will maintain a list and reach out to such person at the time they are eligible to register.

- d. At no stage of Alaska's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. A registration fee will be charged for delegates attending the state convention in order to help offset costs of the event; however, no delegate will be excluded from voting if they do not pay the voluntary fee. The state party may solicit voluntary contributions to help offset the cost of the Party-Run Primary; however, no Democrat will be excluded from voting if they do not make a voluntary contribution. (Rule 2.D & Reg. 4.4)
 - e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. (Rule 2.E)
 - f. Votes shall not be taken by secret ballot at any stage of the Alaska delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in the first determining stage of the Alaska delegate selection process, *noting that the use of a secret ballot is otherwise waived by the voter in order to cast a downloadable ballot in the Alaska Party-run Primary for presidential preference.* (Rule 2.F)
 - g. No person shall vote more than once in the Alaska Party-run presidential preference primary. After a voter casts a ballot, all subsequent ballots shall be deemed invalid. A record of all ballots received will be updated continuously as ballots are cast. (Rule 3.E & Reg. 4.7)
2. The Alaska Democratic Party has taken steps to seek enactment of legislation, rules, and policies at the state and local level to enhance voter and election security and combat election subversion, to include direct interaction with state legislators on election reform bills and attempts to repeal ranked-choice voting, to accomplish the following goals:
- a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; (Rule 2.H.1)
 - (1) The Alaska Democratic Party obtains the Alaska state voter file regularly. The Party staff and DNC voter team work together to upload the list in

Alaska 2024 Delegate Selection Plan

VoteBuilder and information is protected with the cyber security systems that the DNC has incorporated therein. The State of Alaska has invested in cybersecurity systems to decrease the risk of voter records being vulnerable to digital theft in order to maintain secure state voter registration rolls. These efforts secure and protect Alaska's voter personal information;

- b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; *(Rule 2.H.2)*
 - (1) The Democratic Party of Alaska holds a Party-run Presidential Primary. The voter rolls for this process are registered voters of the State of Alaska who have declared Democrat as their party affiliation. Using this list and Votebuilder ensures the Party implements accurate and transparent procedure. Additionally, the Democratic Party of Alaska offers eligible Alaskans same day registration through the Party-run Presidential Process;
- c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems; *(Rule 2.H.3)*
 - (1) The Alaska Democratic Party will utilize a formal request for proposal to select an election contractor for the Party-run Presidential Primary. The Alaska Democratic Party will assure that the selected election contractor use maintained and up-to-date systems and will include the DNC security team should they request to participate in the approval of the RFP;
- d. Ensure that any direct recording electronic systems in place have a voter verified paper record; *(Rule 2.H.4)*
 - (1) The Alaska Democratic Party, through the selected election contractor, will ensure that any direct recording electronic systems in place also have a voter verifiable paper record.
- e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records; *(Rule 2.H.5)*
 - (1) The Alaska Democratic Party will require the selected election contractor to perform two (2) logic and accuracy tests prior to the election scanning to implement risk limiting post-election manual audits comparing paper records to electronic records. One (1) logic and accuracy test will be completed in advance of counting for members to participate in and observe, and one (1) will be conducted just before counting commences where volunteer members and presidential campaign representatives may observe. This is the same procedure we used in 2020.

Alaska 2024 Delegate Selection Plan

- f. Ensure that all voting systems have recognized security measures; *(Rule 2.H.6)*
 - (1) The Democratic Party of Alaska will assure that the selected election contractor will use voting systems which have recognized security measures and will meet with the DNC security team should they request to participate in the approval.

- g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately, with votes verifiable by voters; *(Rule 2.H.7)*
 - (1) The Alaska Democratic Party fully supports accessible and secure voting, especially for individuals with disabilities and appreciated the [Department of Justice](#) monitoring compliance with federal law for elections administered by the State of Alaska.
 - (2) Alaska's Party-run Primary does not include using a voting machine so that individuals may vote from home via the downloadable or by-mail ballot.

- h. Provide educational materials to enhance public knowledge and confidence in election administration and counter disinformation; *(Rule 2.H.8)*
 - (1) The Alaska Democratic Party will provide educational materials to enhance public knowledge and confidence in election administration by creating and circulating information about the logic and accuracy test done prior to the election scanning. To counter disinformation, the Alaska Democratic Party will record the logic and accuracy test and place the paper records and electronic records on the Party website akdems.org for comparison.

- i. The Alaska Democratic Party actively engages with state and local officials to implement fair and honest election policies and practices to include direct engagement with state legislators on election reform bills (emphasizing the need for a ballot cure process for elections run by the Alaska Division of Elections) and ranked choice voting, dialogue with the Division of Elections to promote voter protection based on observations at the polls, ballot review, and other procedures under statutory authorities granted to the Party. Most recently, the Party worked with state and local elected officials and the Division of Elections to provide technical suggestions to the Division of Elections as well as a sense of urgency to ensure that Alaska's voter file accurately reflected voters' state House Districts, Assembly districts, and precincts after federal, state and local redistricting in 2021. Elected officials were briefed on Party election reform and voter protection priorities at the most recent Alaska Democratic Party State Central Committee meeting in February 2023; and *(Rule 2.H.9)*

Alaska 2024 Delegate Selection Plan

- j. The Alaska Democratic Party supports adequate funding for state and local election administration and consistently advocates for increased funding for the Alaska Division of Elections, a historically underfunded entity. Elected officials were briefed on Party election reform and voter protection priorities at the most recent Alaska Democratic Party State Central Committee meeting in February 2023. (Rule 2.H.10)
3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, the Alaska Democratic Party has and will continue voter protection programs that protect and expand the vote with educational, legislative, and litigation-based efforts as appropriate. These programs include cooperation with other state parties and the DNC, as well as individual projects within the Alaska Democratic Party. To participate in the Party-Run Primary by-mail individuals do not need to provide ID and do not need ID as the plan doesn't include in-person voting due to logistical and fiscal challenges that make such options impractical and not executable in the state of Alaska. *(Rule 2.I and 2.I.1)*
 - (1) The Alaska Democratic Party regularly conducts voter education for elections at all levels. In elections administered by the State of Alaska, political parties and candidates have statutory authorities to oversee election administration. In addition to working with the LBJ system, the voter hotline, and leveraging other DNC tools and capabilities, the Alaska Democratic Party's Voter Protection Program includes poll watchers and observers as absentee ballots are processed and to observe ballot counting in order to attest to election integrity. The Party has regularly advocated for a ballot cure process, additional polling locations and workers across the state to expand in-person voting opportunities in rural areas, and supported efforts to overturn the requirement for a witness signature on a by-mail ballot. The Alaska Democratic Party participates in the redistricting process and litigation to ensure fair and equitable redistricting.
 - (2) Voter education and inclusion is a priority. Prior to the Party-run Primary, on February 1, 2024, the Alaska Democratic Party will mail every household with a registered Democrat information explaining each way in which a Democratic voter may cast a ballot in the Party-Run Primary using a list of all Democrats registered with the Alaska Division of Elections as of January 22, 2024 . The same information will be made available through the state party website, social media channels (including Facebook and Instagram), targeted emails, press releases, and paid digital advertising (targeted to those voters with a private or undeliverable address) beginning no later than February 1, 2024.
 - (3) The decision to utilize vote-by-mail (potentially with with ranked choice

Alaska 2024 Delegate Selection Plan

voting) for the Alaska 2024 Party-run Presidential Primary was made based on the results of a study conducted after the 2016 Presidential Preference Caucus and the success of the Alaska Democratic Party's 2020 Party-run Presidential Primary, which utilized vote-by-mail and made a downloadable ballot accessible on the website.

The criticisms of the 2016 Presidential Preference Caucus were that many Alaskans, especially those in rural Alaska, were unable to access caucus locations. Alaskans that did attend encountered excessively crowded spaces. The vote-by-mail process and downloadable ballot in 2020 addressed all of these criticisms and the Alaska Democratic Party will implement a similar plan again in 2024. Participation in the 2020 first determining step was double the participation of the 2016 caucuses.

4. As part of encouraging voter participation in the delegate selection process, the Alaska Democratic Party uses same-day voter registration for the Democratic presidential nominating process and will educate voters about same-day registration. *(Rule 2.1.2)*
 - a. The Party will highlight the online voter registration tool available by the Alaska Division of Elections <https://voterregistration.alaska.gov>; (Rule 2.1.2.a)
 - b. The Party will encourage House District leaders to work with local high schools to lead pre-registration voting drives of high school students that will be 18 years of age for the general election and may register 90 days before their 18th birthday, but may still participate in the Party-Run Primary for presidential preference; (Rule 2.1.2.b)
 - c. Persons that have been convicted of a felony involving moral turpitude or are on probation (parole) for the same crime, are not eligible to register to vote in Alaska. Following proof of unconditional discharge, Alaska law allows restoration of voting rights to individuals convicted of a felony involving moral turpitude; (Rule 2.1.2.c & [AS15.05.030](#)) and
 - d. Eligible Alaskans will be able to register to vote until April 6, 2024, with the Division of Elections or by submitting the appropriate voter registration form and ID requirements to the Alaska Democratic Party. (Rule 2.1.2.d)
5. The Alaska Democratic Party will use its existing structures and adjuncts across the state for communications with voters to ensure an open and inclusive delegate selection process and to resist attempts at voter suppression and disenfranchisement. Since the Party must take full responsibility for a complex election process and plans to provide the most valid, trustworthy, and efficient process possible, the Party will assure the selected election contractor will provide services that ensure a valid election. (Rule 26 2.K):

Alaska 2024 Delegate Selection Plan

- a. The Party will incorporate mechanisms with reasonable safeguards against error and fraud to vote early by-mail by: *(Rule 2.K.1)*
 - (i) Working with the selected election contractor, the Party will design and develop a vote-by-mail package that includes: a copy-proof ballot, a ballot envelope, a return envelope, and an outer mail envelope complete with return postage indicia. Materials will be coded with voter-specific identifiers. The downloadable ballot for voting by-mail, facsimile, or electronic delivery will incorporate features to safeguard against error and fraud. Facsimile and electronic delivery platforms will include cybersecurity and other security measures.
 - (ii) All return envelope scanning for ballots cast by-mail and scanning of downloadable ballots will be completed on a regular bases in order to produce an accurate account of returned ballots on a statewide database. This will not only assure only one vote is cast per voters, but will allow for proper security, storage, and accounting for all ballots.
 - (iii) The ballots will be tallied via scanning machines provided by the selected election contractor (replaced with vendor name after RFP responses and selection) at a central location in Anchorage, A.K. on April 6, 2024, with monitors and presidential campaign representatives on hand to witness the count
 - (iv) The statewide count will be transmitted by the selected election contractor representative to the State Chair of the Alaska Democratic Party, who will publicly announce the results of the election no later than 5:00PM on April 7, 2024.
- b. The Alaska Democratic Party is committed to an aggressive fundraising program to raise necessary funds for the Party-run Primary. The total estimated cost of this Plan, including voter education and outreach investments such as those to meet the goals of increased participation and goals established in the Affirmative Action plan, is \$450,000 with election administration estimated to be \$300,000; *(Rule 2.K.2)*
 - (i) The Alaska Democratic Party State Central Committee, with the assistance former and current Democratic PLEOs, are responsible for raising the funding required to complete Party-run Presidential Primary; with \$50,000 of that funding to be raised by December 31, 2023, in order to conduct outreach and inclusion programs, begin voter education, and initial investments for election administration.
 - (ii) If these fundraising goals are not met, the Alaska Democratic Party reserves the right to adjust planned investments in order to administer an election and/or seek an alternative method of voting. Options may include adjusting the RFP to reduce the Plan to by-mail ballot or

Alaska 2024 Delegate Selection Plan

downloadable ballot only. Any such changes shall be subject to approval by the Alaska Democratic Party Executive Central Committee.

- c. The Alaska Democratic Party will Implement same-day voter registration and party-affiliation changes by accepting appropriate voter registration forms along with a copy of acceptable of identification requirements; *(Rule 2.K.3)*
- d. After the final count, the results will be reported to the State Chair of the Alaska Democratic Party, who will announce the statewide results for each presidential candidate based on the expression of preference by the voters at the first determining step of Alaska’s Delegate Selection Plan; *(Rule 2.K.4)*
- e. The State Chair of the Alaska Democratic Party shall be responsible for certifying the use of the DNC formula to allocate national delegates. This certification shall be locked in at the final expression of preference at the first determining step, as determined by Alaska’s Delegate Selection Plan, subject to recount; *(Rule 2.K.5)*
- f. To ensure final expressions of preference as part of the presidential nominating process are securely preserved, the Alaska Democratic Party Executive Director shall preserve and store all paper ballots for twelve (12) months; *(Rule 2.K.6)*
- g. Any Presidential candidate may request a recount of the results by submitting a request in writing to the Chair of the Alaska Democratic Party. The request must include the scope of the recount, a description of the challenge, and an explanation about how the national delegation could be altered as a result of the problem or its correction as well as a commitment to pay for associated costs. The decision to grant a recount lies with the Alaska Democratic Party Executive Committee. If a recount is granted it is the responsibility of the requesting presidential campaign to pay for the recount. Any recount granted will be conducted at a centralized location in Anchorage, Alaska, and a maximum of two representatives from each campaign will be allowed to participate. Requests for recounts must be received by the Chair no later than 5:00 PM Wednesday, April 10, 2024, and considered by the Alaska Democratic Party Executive Committee not later than Friday, April 12, 2024 at 5:00 PM; *(Rule 2.K.7)*
- h. With vote-by-mail and a downloadable ballot, those who are serving in the military, homebound, disabled, with illness preventing participation, working, without childcare, or other reasons which would prohibit in person participation, will be able to vote; *(Rule 2.K.8)* and

The Affirmative Action Committee will take appropriate steps to ensure voters in Alaska’s Party-run Presidential Primary, like those in primary states, have a right to participate in the process. 2. Members of the Convention Standing Committees need not be delegates or alternates to the 2024 Democratic National Convention. *(Call VII.A.3)*
3. These members will be selected in accordance with the procedures indicated below. *(Rule 1.G)*

B. Standing Committee Members

1. Selection Meeting
 - a. The members of the standing committees shall be elected by a quorum of Alaska's National Convention delegates, at a meeting to be held on May 18, 2024, after the State Convention adjourns in Juneau, Alaska. Persons desiring to seek a standing committee position must file a statement of candidacy designating their singular presidential (or uncommitted) preference and a signed pledge of support for the presidential candidate (including uncommitted status) in-person, electronically, or by-mail to the Secretary of the Alaska Democratic Party, P.O. Box 240207, Anchorage, Alaska, 99524 by 5:00 PM on May 10, 2024, or may file in-person only on May 18, 2024, at the State Convention in Juneau with the Party Secretary until adjournment of the State Convention. A delegate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline. Delegate candidate filing forms may be downloaded for submission from the state party website akdems.org or picked up in person, beginning April 1, 2024. *(Call VII.B.1)*
 - b. All members of the delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members. *(Call VII.B.1)*
2. Allocation of Members
 - a. The members of the standing committees allocated to Alaska shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the

Alaska 2024 Delegate Selection Plan

Alaska's delegation to calculate the at-large apportionment pursuant to Rule 14.E. of the Delegate Selection Rules. (*Call VII.C.1 & Reg. 5.9*)

- b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Alaska. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (*Call VII.C.2*)
 - c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (*Call VII.C.3*)
 - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (*Call VII.C.4*)
3. Presidential Candidate Right of Review
- a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the Alaska's delegation authorized to elect standing committee members. (*Call VII.D.1*)
 - b. Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, by 15 minutes after receiving a list of those persons filed for a standing committee position on May 18, 2024, a minimum of (1) name for each slot awarded to that candidate for members of each committee. The delegation shall select the standing committee members from among names submitted by the presidential candidates (including uncommitted status). Presidential candidates shall not be required to submit the name of more than one (1) person for each slot awarded to such candidate for members of standing committees. (*Call VII.D.2*)

Alaska 2024 Delegate Selection Plan

4. Selection Procedure to Achieve Equal Division
 - a. Presidential candidates (including uncommitted status) shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve Alaska's affirmative action, outreach and inclusion goals and that their respective male and female members are equally divided between the men and women determined by gender self-identification. (*Rule 6.I & Reg. 4.10*)
 - b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a *male*, and the next binary position, if one occurs, will be designated for a *female*, and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between males and females, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to gender non-binaries but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.
 - (1) A separate election shall be conducted for membership on each standing committee.
 - (2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee and among the three committees in aggregate shall not exceed one. (*Call VII.E.2*)

2. In cooperation with the National Committee, the Alaska Democratic Party has determined the demographic composition of members of the LGBTQ+ community, people with disabilities, and youth in Alaska's Democratic electorate. (*Rule 6.A.3*)

C. Efforts to Educate on the Delegate Selection Process

1. Well-publicized educational workshops will be conducted in Alaska, with a goal of holding a workshop in all six (6) regions and in each of the forty (40) State House Districts beginning in November 2023. Alaska 2024 Delegate Selection Plan

action goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program and that the number of men and the number of women in their respective delegations shall not differ by more than one (as determined by gender self-identification). Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve Alaska's affirmative action, outreach and inclusion goals and equal division for their respective delegations. (*Rule 6.C., Rule 6.I & Reg. 4.10*)

F. Outreach and Inclusion Program

1. The Alaska Democratic Party is committed to help achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.
2. As such, the Alaska Democratic Party is developing outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state and national levels.
3. The Alaska Democratic Party will make accommodations to facilitate greater participation by people with disabilities including reasonable physical accommodations in the selection of the venues for the State House Caucuses and the State Convention, bringing online processes into compliance with standards where feasible, and soliciting feedback from the disabled and senior communities.
4. The Alaska Democratic Party will undertake efforts to increase youth participation, not only by making efforts to understand preferred methods of participation (online, in-person etc.) but also efforts to increase interest through meaningful outreach.
4. Recognizing the diversity and uniqueness of Alaska's population, the Alaska Democratic Party will make best efforts to prepare materials in widely spoken languages in the State of Alaska other than English, as translation services are available. The Affirmative Action Committee will speak to qualified individuals and other states in order to appropriately define widely spoken languages.
5. In addition to the steps described above, the Alaska Democratic Party will determine if a Travel Fund/Sponsorship Program can be established to increase participation in the State House Caucuses and the State Convention for those historically underrepresented due to financial constraints or cost-prohibitive travel, with an emphasis on Rural Alaska. The Affirmative Action Committee will also encourage presidential candidates to establish similar programs.

Alaska 2024 Delegate Selection Plan

- (a) The Alaska Division of Elections defines “rural” areas as State House Districts 37-40.
 - 1. For purposes of this plan, in addition to State House Districts 37-40, the DSP definition of rural includes, *but is not limited to*, remote communities in State House District 36 and Southeast Alaska. This is consistent with the Alaska Democratic Party’s broader and more appropriate definition of rural.

Alaska Democratic Party 2024 Draft Delegate Selection Plan Released for Public Comment

In preparation for the 2024 DNC National Convention, ADP has released its Draft 2024 Plan.

ANCHORAGE: The Alaska Democratic Party (ADP) has released a draft 2024 Delegate Selection Plan for public comment. The plan is available for review at akdems.org.

Alaska 2024 Delegate Selection Plan

National rules require state party committees to solicit public comment on their plan to select pledged delegates and alternates to the national convention, where the Democratic nominee for President will be selected. Alaska has been allocated 14 pledged delegates and two pledged alternates for the 2024 convention.

In 2020, the Alaska Democratic Party transitioned from using a caucus as the first step for determining Alaska Democrats' presidential preference to a Party-run Primary. The successful ADP Party-run Primary was by-mail and alleviated the barriers Democrats in Alaska often faced with overcrowded and inaccessible caucuses. Participation in the Party-run Primary was twice that of any prior presidential years' caucus turnout, with approximately 19,700 ballots tabulated by the Party.

At this time, the draft 2024 ADP Delegate Selection Plan will also utilize a Party-run Primary as the first step for determining presidential preference. Sixteen allocated pledged delegates and alternates will be apportioned (*to candidate(s)*) based on the results of that election. Pledged delegates will be selected in a tiered process that starts at the Alaska State House district level and ends with final selection at the Alaska Democratic Party 2024 State Convention in Juneau, Alaska. The plan includes details on key dates, delegate candidacy requirements and selection details, and other rules. In recognition of Alaska's unique geography and diverse electorate, the plan includes a renewed emphasis on equity and inclusion.

All Alaskans registered as Democrats are eligible to provide feedback and participate in the delegate selection process.

The public comment period ends April 22, 2023 at 12:00PM. Comments may be submitted online.

Alaska Democratic Party 2024 Draft Delegate Selection Plan Submitted

In preparation for the 2024 DNC National Convention, ADP has submitted its 2024 Plan.

ANCHORAGE: The Alaska Democratic Party (ADP) has submitted its 2024 Delegate Selection Plan to the Democratic National Committee (DNC). The plan is available for review at akdems.org.

Alaska has been allocated fourteen pledged delegates and two pledged alternates for the 2024

Alaska 2024 Delegate Selection Plan

Democratic National Convention in Chicago, Illinois. Registered Democrat Alaskans are eligible and encouraged to participate in the delegate selection process. Alaska, joined by Kansas, Hawai'i, and Wyoming, moved from utilizing a caucus to a Party-run Primary in 2020. Sixteen allocated pledged delegates and alternates will be allocated (*to candidate(s)*) per the Party-run Primary results. Beginning at the Alaska State House district, pledged delegates will be determined through a tiered process. The Alaska Delegation will be finalized at the Alaska Democratic Party 2024 State Convention in Juneau, Alaska.

National rules require state party committees to solicit public comment on their plan to select pledged delegates and alternates to the national convention. Public comment was closed on April 22, 2023.
