## **ARTICLE I: PREAMBLE**

The Alaska Democratic Party (ADP), an entity recognized under Alaska State Statute and Federal law and by the Democratic National Committee, in order to secure the passage of legislation representative of the basic principles of Democratic government, and to elect representatives pledged to Democratic Party principles, adopts this Plan of Organization.

## **ARTICLE II: PARTICIPATION**

### **(a) PARTICIPATION**

**Section 1)** Participation in the ADP is open to any person registered with the State of Alaska as a Democrat, or a person too young to vote, but is a member of the Alaska Young Democrats.

**Section 2)** Discrimination on the basis of gender, race, age, religion or lack thereof, economic status, sexual orientation, ethnic identity, national origin, disability, or color in the conduct of ADP affairs is prohibited.

**Section 3)** Meetings of the ADP are open to all members of the Party and will be held in a manner accessible to Party members. No meeting may be held in any building owned or operated by an organization or individual that discriminates against individuals on the basis of any grounds in Section 2. All reasonable efforts will be made to ensure compliance with the Americans with Disabilities Act.

**Section 4)** The time, place, and purpose for all meetings shall be publicized in a way that ensures timely and reasonable notice to all interested persons.

**Section 5)** All meetings authorized by the Party Plan may be held by remote participation, which shall include feasible options for rural access. In times of statewide or regional disaster, health emergency, or any other cause that would render in-person meetings unsafe or impractical, the Party shall conduct business via remote participation.

**Section 6)** Any person holding office in the ADP must be a registered Democrat in the State of Alaska or a member of the Alaska Young Democrats.

**Section 7)** The ADP will publish procedures for selection of Party officers and representatives at all levels. The publication shall be done in such fashion that prospective and current members of the ADP have the opportunity to be fully informed of the pertinent procedures in time to participate in each selection procedure at all levels of the ADP.

**Section 8)** Proxies are recognized at all meetings of Party Committees, provided that in no event a person casts more than four (4) votes, including their own.

**Section 9)** Party Officers will take affirmative steps to encourage members of underrepresented groups to seek election as Party Officers and Delegates to State Conventions, to the end that such groups are represented in reasonable relationship to their presence in the State.

**Section 10)** The ADP strives to achieve gender, age, ethnic, geographic, and kinship balance in leadership positions and activities.

**(b) ELECTIONS AND ENDORSEMENTS**

**Section 1)** The Open Primary in Alaska is not Party specific with eligible candidates from all party affiliations appearing on the ballot for each race. The Primary Election is open to all registered voters in Alaska who may cast one vote for one candidate in each race. The top four candidates in each race advance to the General Election.

The General Election utilizes rank choice voting.

Candidate(s) registered as Democrats, and and/or aligned undeclared or nonpartisan candidates, that advanced from the Open Primary to the General Election may serve as the party's nominee(s).

**Section 2)** The ADP may make an endorsement of a candidate in a contested primary, and/or may provide a monetary contribution or non-monetary contribution to a candidate in a contested primary, by a three-quarters (3/4) vote of the SCC of those present and entitled to vote. ADP may provide a monetary contribution or non-monetary contribution in a contested or non-contested election to a local candidate registered as a Democrat or an aligned undeclared or nonpartisan candidate that has been endorsed by the appropriate Tier Two or Tier Three Subdivision. Tier One, Tier Two, and Tier Three subdivisions may make endorsements as provided in Sections 4, 5, and 6.

For purposes of this section the definition of "contested election" means more than one Democrat, and/or aligned undeclared or nonpartisan candidate, on the ballot for the same office.

**Section 4)** Tier One, Tier Two, and Tier Three subdivisions may make pre-primary or post-primary endorsements of Democratic candidates and/or aligned undeclared or nonpartisan candidates in legislative races if they have adopted procedures covering such endorsements in their Bylaws and those Bylaws are on file with ADP. Procedures must be transparent and any meeting relating to endorsements be held in a manner consistent with Article II (Participation).

**Section 5)** Pre-primary and post-primary endorsements of Democratic legislative candidates and/or aligned undeclared or nonpartisan legislative candidates by Tier Three subdivisions and unified districts are limited to candidates running in their State House or State Senate Districts. Pre-primary and post-primary endorsements of legislative candidates by regional organizations are limited to districts within that region.

**Section 6)** Tier One, Tier Two, and Tier Three subdivisions may endorse Democrats, and and/or aligned undeclared or nonpartisan candidates, and participate in local non-partisan elections, subject to the provisions in their Bylaws. Endorsements and participation in local elections shall be consistent with Article II (Participation).

**Section 7)** Tier One, Tier Two, and Tier Three subdivisions shall notify the party of endorsements and participation in elections.

**Section 8)** For local elections, at the request of a regional vice-chair and with the approval of a majority vote of regional vice-chairs, the ADP will provide access to VoteBuilder or equivalent database to Democratic or aligned non-partisan or undeclared candidates who agree to pay for that access and agree to the ADP terms of service.

**Section 4)** No later than ninety (90) days prior to the State Convention, the State Chair ensures that SCC members receive information specifying the date, time, and place.

**Section 5)** Prior to the convening of the State Convention, the State Chair appoints a Chair or Co-Chairs and calls into session the following committees:

- Platform

The committee Chair or Co-Chairs will be voting members of the committees.

**Section 6)** All arrangements for the State Convention are made by the State Chair and the host House District or Regional Organization. Any profits from the Convention accrue to the organizing entity.

**Section 7)** A registration fee may be charged for all delegates and alternates present at any State Convention. Only those persons present pay registration. No person will be excluded from any stage of the delegate selection process if a person is unable to pay.

#### **(a) CERTIFICATION OF DELEGATES**

**Section 1)** The Credentials Committee certifies delegates at the State Convention from Minutes of the House District Organizational Meetings.

**Section 2)** The Committee also makes recommendations to the Convention on challenges from House District Organizational Meetings that are presented in writing to the State Convention Credentials Committee. Challenges must be filed with the State Chair within fifteen (15) days after the adjournment of the House District Organizational Meetings. Copies must be sent to the State Chair, House District Chair, and those individuals who have been challenged within fifteen (15) days after adjournment of the House District Organizational Meetings.

**Section 3)** Contests over delegate seats in any Convention and contests concerning voting at the Convention are decided by the Convention itself.

**Section 1)** A person elected as a delegate or alternate to a State Convention will be registered upon presenting themselves in person.

**Section 2)** Delegates to the State Convention come from elections held at the preceding House District Organizational Meeting and hold office with the authority to be seated at reconvened Conventions or

**Section 3)** The National Committeeman and National Committeewoman, the State Chair, and any elected Democratic Governor, Democratic United States Senator, and Democratic United States Representative shall be entitled to voting seats in any State Convention as Super Delegates. These votes are in addition to the delegates allotted to each subdivision. Super Delegates are not precluded from being elected as regular delegates to the State Convention or National Convention.

**Section 4)** The number of delegates to be seated at the State Convention is determined on the basis of one delegate for each two hundred and fifty (250) votes, or fraction thereof, cast for the Democratic nominee for statewide office receiving the most votes statewide in the previous election, provided the SCC has not changed the divisor. Apportionment is computed and assigned on the basis of House Districts. Incumbent Democratic State House Representatives and State Senators are automatically added to their district's delegate allocation to serve as delegates to the State Convention. Delegates must reside within the House Election District upon which the apportionment is based.

**Section 5)** If the full delegation from any House District is not present, those delegates or alternates elected from that House District who are present may cast the full vote to which the House District is entitled. **Section 10)** The candidate receiving a majority of the votes of the Convention is declared elected. In the event no candidate receives a majority, a second roll call shall be taken, but if there are more than two (2) candidates, the candidate receiving the lowest vote shall be dropped and the election process continued until one candidate has received a majority.

**Section 11)** The presence in person of forty percent (40%) of the delegates registered in person (including alternates seated as delegates) constitutes a quorum at the State Convention. If after thirty (30) minutes notification by the Chair, through a designated representative or the sergeant-at-arms, forty percent (40%) of the delegates are not present, those absent without excuse are deemed to have not registered. Additional alternates will be seated as appropriate and a quorum designated as appropriate of the then-current list of registered delegates, including alternates seated as delegates.

**Section 12)** Delegates and alternates may be temporarily excused by the Chair or designee provided that if such absence endangers the presence of a quorum, such excuse may only be granted by consent of the Convention.

**Section 13)** Ten percent (10 %) of all the delegates present at any Convention held pursuant to this Plan may demand a roll call vote on any question.

**Section 14)** In the event a roll call is demanded, the delegates from each of the House Districts represented delegations have been polled, the Convention Chair shall call the Convention to order and the roll call shall be called by House District. **Section 4)** A House District, Unified District, or Region may meet and adopt proposed changes to the Party Plan, which shall be submitted at least fourteen (14) days prior to the convening of the State Convention. The candidates shall be notified of this during the endorsement process. The organization that made the endorsement may negate this sanction with a two-thirds (2/3) vote.
