### Description:

The Alaska Democratic Party is hiring part-time Alaska Native fellows programs in communities across Alaska interested in electing Mary Peltola to the U.S. Senate. The part-time paid fellows program will be critical to developing and implementing a voter contact program that helps turn out voters across villages to elect Mary Peltola to the U.S. Senate and Democrats up and down the ballot. No prior experience is necessary; we will train fellows and make sure fellows have the support they need to be successful.

### Duties and Responsibilities

- Engage community members in villages across the state by hosting community events and utilizing social media to help Get Out the Vote;
- Support community members in registering to vote, requesting absentee ballots, and turning out the vote;
- Create a positive experience that engages new people in the voting process;
- Engage in door-to-door canvassing, engaging in long-form conversations around significant issues impacting Alaska Native communities
